Sharing great conversations and making others laugh is high on Robert's priority list! He is engaging and considerate and relishes learning new things. Robert has a myriad of interests that range from sports like track and basketball, to creative endeavors like drawing, building with LEGOs, and writing stories. Attending youth groups at church is a pastime he looks forward to. Animals hold a special place in Robert's heart.

As a seventh grader, his teachers report that he is a pleasure to have in class.

A Christian family is preferred; however, his caseworker will consider all family types. Robert wishes to remain in contact with his sibling, aunts, and grandmother following placement. Financial assistance may be available for adoption-related services.

For Nevada children, both homestudied and non-homestudied Nevada families are encouraged to inquire; only homestudied families from other states should do so.
